

## Vandalia-Butler Booster Association Membership – 2009

Join the Vandalia-Butler Booster Association! With your membership, you are supporting our athletes, parents, and coaches. Your membership will allow them to maintain the tradition of excellence that marks all the sports in our school district's athletic program.

You can choose from a \$50.00 SUPER Booster membership, a \$25.00 GOLD Booster membership, or a \$10.00 PURPLE Booster membership – all contributions help our athletes.

Please commit by Monday, August 3, 2009, so that your name will be listed in our fall and winter sports programs. All memberships received after August 3 will join the membership lists in the winter sports programs. All monies received from this membership drive go directly to the athletic programs at Butler High School, Morton Middle School, and Smith Middle School under the approval of our Board of Directors and the Senior High Director of Athletics.
